# Waypoints

A word from our Pastor's heart

Ah...fall has finally arrived! For many this is the favorite season of the year and brings about a fresh coolness that we have longed for during the sizzling days of summer. Regardless of our view of this season, we can all be grateful that we live in a part of the country that experiences the changes of seasons which tends to point us to God's creativity in our lives. 2 Corinthians 5:17 teaches us that God's creativity makes us "new creations" in Him. Change is good!

I hope you have October 9 highlighted on your calendar! Men, that morning is another opportunity for us to gather together and "sharpen" our walk with Christ. Of course, we will begin at **6:11** that morning and plan on being finished and on our way to work by 7:00. Last month we had over 200 men in attendance and anticipate even more this month. Make plans to join us! Remember to invite your friends, co-workers and neighbors to join you for our time together.

Also, please note that our **Fall Family Night** will take place this year on Wednesday night, October 29. This schedule change is taking place due to the Hewitt-Trussville vs. Clay Chalkville football game that will be played on Friday, October 31. The Festival will take place in the back parking lot and will offer your family an alternative to the traditional Halloween activities. Come join with others in the fun!

The hymn teaches us to "Count your blessings, name them one by one, and it will surprise you what the Lord has done." Take a few minutes to look around you and find the blessings that God has so generously allowed us to experience. God is good!

Serving With You,

Pastor Buddy Champion
